Copy link
button

Join League

Enter League Link

Join

Sharing the link will provide
the league ID or link that
will allow new user to auto join

- Current Notes:

✓ - Change profile page to leader boards

✓ - add gear icon to top right of home page for profile information and settings
could be profile icon or avatar

✓ - Need to add join league prompt / screen / invite / create pages

- need icons / preview of what correct / incorrect picks once game is complete
